Söll am Wilden Kaiser

Der Franzlhof

MAKES HOLIDAYMAKERS' HEARTS BEAT FASTER

Customs and agriculture shape the people who live here. Traditions look back on a rich past, are lived more than ever, proudly, honestly and not as a staging for tourists.

And yet, one can no longer separate one from the other: Thanks to the tourist development in our country, farmers can preserve their structures and at the same time set a magical attraction for guests from all over the world.
